

The Annual Meeting of the Panther Creek Estates Association was scheduled for October 15, 2008.

For those of you who missed the Annual Meeting the presentation is posted on the HOA website. Thank you to our sponsors: Haven Landscaping; 5 Star Pool and Owens Electric and to Real Manage for helping us put together a great evening. Unfortunately we did not have a quorum to conduct an official meeting and were required by our documents to reschedule to vote on By-Laws changes and elect the Board Members to fill open positions.

On Tuesday December 9, 2008 7-8pm we held our rescheduled Annual Meeting. A quorum was established. The 2007 minutes were approved; By-Laws and Articles of Incorporation changes were approved; and we voted to fill 3 open Board of Director positions. Congratulations to returning Board Member Chris Showman and newly elected members Bill Milford and Cliff Sosamon. Jamie Lockwood will serve as Covenants Committee chair. Thank you to Lee Myrben and Jen Hampton for their service.

Respectfully Submitted,

Jeanne S Rubin
